

REMARKS

This application has been carefully reviewed in light of the Office Action dated June 13, 2005. Claims 1 to 15, 19 to 26 and 30 are in the application, of which Claims 1, 13, 16, 19 and 30 are independent. Reconsideration and further examination are respectfully requested.

The Examiner entered an *Ex parte Quayle* action in which formal objections to the specification were noted and in which the sole obstacle to allowance was the presence Claims 16 to 18 which had been restricted from examination.

In response, Applicant has attended to the Examiner's objections to the specification by amendments above, and Claims 16 to 18 have been cancelled without prejudice or disclaimer of subject matter, and without prejudice to Applicant's right to prosecute those claims in a further divisional application.

No other matters being raised, it is believed that the application is fully in condition for allowance, and such action is respectfully requested.

Applicant's undersigned attorney may be reached in our Costa Mesa, California office at (714) 540-8700. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

Attorney for Applicant
